Effective 30-days from the service of this notice, these premises are deemed to be a “no smoking” property. Smoking of any kind is prohibited in your unit or in the common areas of the property.

Tenant shall inform Tenant’s guests of the no-smoking policy and shall be responsible to control this from happening.

Landlord’s adoption of a smoke-free living environment, and the efforts to designate the rental complex as smoke-free, do not make the Landlord, or any of its managing agents, responsible for any health issue that might arise due to smoking on the premises.
